## About the Activity

We will meet at the Sofa Mart at Kipling and 6th Ave at 7:30 AM. This will permit some arranging for car pools. We will be going to **Colorado Adventure Park near Frasier**. Cost is about \$16 for an hour with the next hour at half price if you want to do more. We will decide on a good lunch place after we are all done tubing. All of this will be weather dependent. If the weather turns bad, we will either postpone or cancel the activity depending on the groups ability to get together on another day.
